

Thank you for your understanding

Dear guests,

the rules in the context of the coronavirus pandemic continue to put numerous restrictions on all of us. In the gastronomy sector, various obligatory requirements are also currently in force within the Infection Protection Law, which must be strictly followed by the owners.

These include the collection of your personal contact data (incl. address, telephone number and, if necessary, e-mail address) in order to be able to contain chains of infection at very short term. The collection of data is permitted under the data protection laws. Restrictions on opening hours are also ordered by the authorities.

All information on the coronavirus pandemic can be received online at www.luebeck.de/coronavirus or by phone at (0451) 122 - 2626.

We thank you for your understanding and your support for the gastronomic business in complying with the regulations.

We wish you a pleasant stay.
